

Welcome

Grace and Peace to you in the name of our Lord Jesus Christ! We are glad that you are with us today;

Our gathering will begin with a time of Christ centered, spirit filled worship, followed by a message from God’s word. If you have children with you today, we will dismiss the children (ages 3-12) to children’s church classes before the message begins. Nursery is available at any time.

If you have prayer needs we will have prayer teams available after the service to pray with you or you can fill out the attached prayer request card.

We hope you will be touched by the presence of God, as we worship together. Come, let us worship and bow down!

High Peaks Church is a Christ centered, Spirit led local church, our vision is – *To bring Hope, Joy, and Spiritual prosperity to the Adirondack region with the life-changing message of the Gospel, and to be a fountain of God’s blessing for this region; inspired by the two great commandments to Love God and Love People-*
